Have a Happy and Happening Break. When April bids good bye and May Knocks in, we start thinking of the relaxing summer vacation. It is the time to be utilized in learning new things, helping others, exercising, socializing, reading, playing, exploring new places and whatever our heart desires.

Dear Parents,

We in our school strive to develop in children a broad range of skills, including the interpersonal and communication skills that are essential for successful living in a rapidly changing society. So therefore, you as parents can facilitate them in exploring their world within and around them. You can make plans and review activities with your children on daily basis.
