## **SUMMER HOLIDAY HOMEWORK(2024-25)**

**Have a Happy and Happening Break. When April bids good bye and May Knocks in, we start thinking of the relaxing summer vacation . It is the time to be utilized In learning new things , helping others , exercising , socializing , reading , playing , exploring new places and whatever our hearts.**

Dear Parents,

We in our school strive to develop in child a broad range of skills, including the interpersonal and communication skills that are essential for successful living in a rapidly changing society . so therefore you as parents can facilitate them in exploring their world with in around them, you can make plans and review activities with your children on daily basis.

Summer holidays are the best time of the year when you get an opportunity to spend maximum time with your child. To beat the summer heat and make these days fun filled we have planned interesting activities which will enhance your child's creativity.

Summer brings with it the ever smiling sun , scorching heat, ice cream , shakes and holidays !! Holidays are the time for you to become teachers as well as friends . vacations helps your child to rejuvenate . so lets make their summer break fun filled with summer break fun-filled with same exciting activities.
